

Acute Care Nurse Practitioner Trauma Services

As a Critical Care or Trauma Nursing professional, we invite you to consider a rewarding career opportunity with Scripps Mercy Hospital

As San Diego County's busiest trauma center, Scripps Mercy Hospital cares for over 2,400 critically injured adults per year. Our trauma service offers the city's preeminent trauma prevention education program, research and graduate medical education in trauma and critical care.

In February 2007, we opened a new unit dedicated to the care of the trauma patient. This unit will comprise 3 levels of care: ICU, Tele/Stepdown and Med/Surg.

We are looking for a Nurse Practitioner who is a natural leader and desires to be part of a team to serve our community with the highest quality care. This challenging clinical environment provides an excellent framework for professional growth.

Job Description:

Provides clinical expertise to trauma patients and their families on an ongoing basis. Provides input into the development of care practice algorithms and protocols. Coordinates, directs, and participates in the care of the trauma patient, acting as resource, and clinical expert to staff, throughout the care continuum. Collaborates with trauma team physicians, and acts as liaison to trauma team members to assure maintenance of trauma patient care standards and continuity of care. Participates in educating patients and families, participates in education programs for nursing staff. Participates in forums that provide oversight and direction for the Trauma Service.

Experience/Specialized Skills:

- Minimum 2 years recent critical care experience
- MSN
- Ca NP License
- Ca RN License
- ACNP preferred.
- Furnishing number required within 1 year of hire
- Experience with trauma patients in ED or critical care preferred
- Requires working scheduled weekends and holidays.

Healing Happens Here ...

Scripps Mercy Hospital is a two site campus with facilities in Hillcrest and Chula Vista serving the downtown and surrounding neighborhoods with professional expertise, leading-edge technology and a very special brand of care. With 700 licensed beds, more than 2,700 employees and more than 1,300 physicians, we are San Diego's longest established medical center.

We offer a competitive salary and benefit package.
