

No Nights. No Weekends.

Absolutely *no* reason you shouldn't join Truman Medical Center. Your expertise as clinical educator, consultant and leader qualifies you for the esteemed role of:

**CLINICAL NURSE SPECIALIST
Emergency Room
M – F, 8a – 4:30p**

Current MO RN licensure with designation in advanced practice nursing, MSN degree, BCLS certification, clinical expertise in the ED and 3-5 years' recent, verifiable experience in a leadership role are required.

Truman Medical Center is the ideal choice for your nursing career.
