

NATIONAL FOUNDATION FOR TRAUMA CARE

Comprehensive Member Services

ENHANCE OPERATIONAL AND FINANCIAL PERFORMANCE

NFTC is the only comprehensive information source for all trauma center operational and financial needs. The NFTC has academic, public, and community hospital trauma centers, and we stay abreast of all trauma center issues. We can help

- Implement new trauma UB-92 codes
- Benchmark costs, charges & resources
- Develop payer strategies & MCO contracts
- Compare Trauma FTE's & Salaries

IMPROVE HOSPITAL-PHYSICIAN RELATIONSHIPS

Obtain expert help with critical physician call pay and contracting issues. We provide recommendations for an optimal arrangement for maintaining medical staff support.

- Solutions for trauma physician support
- Market norms for specialty payment
- Effective long-term structures
- Surgeon billing alternatives

ACCESS EXPERT TRAUMA CONSULTANTS

Your trauma center staff can access experienced trauma consulting staff through on-the-spot phone calls, scheduled conference calls, and email. We can advise on all aspects of trauma center management.

- Designation and regulation issues
- Medical Staff support strategies
- Public support alternatives
- Development and design

You can also obtain marketing, outreach, cost management and performance improvement models for optimal program performance.

CONNECT WITH OTHER TRAUMA CENTERS LIKE YOU

NFTC membership connects you to similar hospitals to learn about innovative and effective practices. NFTC tools provide solutions to trauma center's unique problems and challenges and can be adapted and implemented to fit any situation.

- Model P&P's, job descriptions
- Practice guidelines & protocols
- Best practices
- Management tactics
- Best performer networking
- Rapid answers to technical problems

GAIN KNOWLEDGE ON CURRENT TRAUMA ECONOMIC TRENDS

NFTC programs are the only source of high-level trauma center operations and management education available in the nation. Members benefit from substantial discounts to conferences and receive audiotapes from the Annual Management Conference each year.

- Annual Management Conference
- Annual Trauma System Course
- Annual Trauma Director Course
- Annual Trauma Designation Workshop
- Annual Site Surveyor Course
- Annual Leadership Conference
- Trauma Education Program Model
- Quarterly Audio Web Conferences
