

NATIONAL FOUNDATION FOR TRAUMA CARE

ABOUT US

NFTC MISSION:

To secure the economic viability of America's Trauma Centers and foster the development of a national system of trauma care so that access to excellent care for the seriously injured is assured.

The NFTC Board of Directors represents experts in the field of trauma that combined, comprises a vast range of experience and knowledge needed to accomplish the mission of representing the interests and issues shared by trauma centers of all types across the nation. The Board convenes annually at the Leadership Conference and holds conference call meetings regularly.
