

Bring harmony to your work/life balance.

Pediatric Trauma Nurse Coordinator

You work hard and you play even harder. You understand saving lives is serious business that requires you to work in concert with an entire team. You want to be part of an organization that values your individuality and respects that your passions are part of what makes you great at what you do.

Dell Children's Medical Center of Central Texas, a member of the Seton Family of Hospitals and located in the state capitol of Austin, has an immediate opening for a Pediatric Trauma Nurse Coordinator.

Here you'll find a challenging and exciting opportunity in an ACS-verified Level I Pediatric Trauma Center serving a 46-county area in the beautiful Texas Hill Country. Located on a 32-acre campus, our amazing medical center has a three-acre healing garden plus multiple courtyards and gardens representing the diverse ecosystems of Central Texas.

The Pediatric Trauma Nurse Coordinator is a member of our multidisciplinary collaborative team that facilitates outstanding pediatric trauma patient care.

Candidates must have at least 5 years experience in emergency/trauma/critical care (pediatric setting preferred); current Texas RN license; Basic Life Support; Pediatric Advanced Life Support and Emergency Nursing Pediatric Course. Prefer at least 2 years management and/or trauma coordinator experience, instructor status in Trauma Nursing Core Course and familiarity with trauma registry systems.

The only dedicated, freestanding pediatric medical center in Central Texas.
