

Trauma Surgeons Needed

Riverside Methodist Hospital along with a well-established, 7-member private surgical group in Columbus, Ohio is seeking a Trauma surgeon to help develop a new trauma and surgical intensive care unit. With 1,000+ beds, Riverside is a nationally acclaimed tertiary care and teaching hospital. Verified since 1995 as a Level 2 Trauma Center, Riverside's annual trauma admissions exceed 2,000. The two-bed trauma bay complements its 125-bed state-of-the-art ER. The practice has teaching involvement with General Surgery residents. Candidates must be Board Certified/Board Eligible in Surgical Critical Care. Riverside Methodist Hospital has been named one of "America's Best Hospitals" by *U.S. News and World Report*, a Magnet Hospital by the American Nurses Credentialing Center, the Most Preferred Hospital in Central Ohio, and has 7 disease-specific certifications from the Joint Commission. Columbus, Ohio, the 15th largest city in the nation, is the third fastest growing major metropolitan area in the Midwest with consistent growth. It is headquarters for six Fortune 500 companies, 15 Fortune 1000 companies and one of the top 10 regions for technology.
