

### **California – Bay Area Trauma Surgery Opportunity Minutes away from San Francisco and Napa Valley**

A Medical Professional Corporation is seeking a board certified trauma surgeon with trauma fellowship or equivalent experience to be considered a future candidate for Medical Director of Trauma Services. Requirements include practice and training at a high-volume trauma center and/or fellowship experience in trauma and surgical critical care. Preference will be given to individuals with demonstrated leadership experience in trauma programs.

This is an excellent opportunity to join a thriving private practice providing trauma services to a 321-bed acute care facility that is designated as the only trauma center for Contra Costa County and portions of Solano County. Recognized as one of the region's premier healthcare providers, areas of specialty include high- and low-risk obstetrics, orthopedics, neurosciences, cardiac care, and cancer care. The Trauma Center is an American College of Surgeons verified Level II Center, serving a population of 1.3 million residents.

Located in East Bay in California, this unique area offers a great quality of life and a chance to explore all the rich and romantic attraction of California. Work with a full complement of support staff, so you can focus on taking care of patients.

- Excellent Financial Package
- Signing Bonus
- Student Loan Assistance
- Paid Relocation
- Home Loan Assistance
- Well-Respected Colleagues

If you are looking for an exciting and gratifying opportunity to help build a stronger trauma program in a community with tremendous quality of life, consider joining our practice.
