

Exceptional people, exceptional facilities

St. Anthony's Medical Center offers careers and jobs in a technologically advanced, progressive work environment where clinical professionals and individuals with business, technical and support skills use their talents every day to [make a difference in the lives of others](#). Our compassionate, friendly, customer-focused employees want colleagues and co-workers who share the same values and commitment to helping others. If that's you, now's your time - and St. Anthony's is the place.

COORDINATOR-TRAUMA SERVICES

Department: Trauma Services

Schedule: Full Time

Shift: Days

Hours: 8:00am to 4:30pm or as needed

Job Details:

RN Required

The Emergency Management and Trauma Services Coordinator is the registered nurse responsible for the planning, development and evaluation of Emergency Management and Trauma Services, for ensuring the quality of trauma care rendered at St. Anthony's Medical Center and for assisting the Medical Center in maintaining readiness and compliance with emergency management. This individual is responsible for project management of assigned emergency preparedness programs and coordination of disaster preparedness training at the Medical Center and other entities. Specific emphasis will be on training related to biological agents, chemical agents, radioactive materials and mass casualty incidents. This individual reports to Emergency Department Administration and the Trauma Services Medical Director.

Position Qualifications:

Licensure/Certification Requirements:

Must maintain current nursing licensure for the State of Missouri.

Education Requirements:

BSN preferred. Prior experience in Emergency Management/Disaster Management preferred.

Prior experience in providing nursing education (e.g., hospital in-services, seminars).

Prior experience in Trauma/OR/ED/Critical Care nursing.

For immediate consideration, please send your resume and cover letter to Stephanie.Austermann@samcstl.org as well as applying online at www.StAnthonysmedcenter.com
