

Assistant Trauma Program Manager/PI Coordinator

Mayo Clinic in Rochester, Minnesota, invites you to explore a career opportunity in which you will be a valued member of an outstanding healthcare team.

We currently have an opportunity for an Assistant Trauma Program Manager/PI Coordinator to develop, implement, and evaluate our Trauma Program. Together with our Medical Director and Nurse Manager, you will also oversee our Trauma Registry, Surgical Critical Care Registry, and Transport Registry.

Bachelors' degree in the Sciences or other health-related field, master's degree preferred, or graduation from an accredited school of nursing with a current Minnesota RN license, BSN or MSN would be ideal. We also require 5 years' experience in an ER, trauma center, critical care, or other EMS environment, plus 2 years' supervisory/manage experience. Familiarity with QI programs is strongly preferred as well.

Along with competitive pay and benefits, Mayo Clinic is a strong advocate of continuing education and offers an excellent tuition reimbursement package.

To apply, please visit www.mayoclinic.org and reference job posting #10266.
