

Experienced Trauma Staff Required

Lawnwood Regional Medical Center & Heart Institute, Fort Pierce, Florida is seeking professionals for a New Trauma Center scheduled for opening in Spring, 2009. LRMC & HI is a 350 bed acute care hospital and has been rated by HealthGrades as one of America's 50 Best Hospitals for three consecutive years. The recently renovated, state-of-the-art ED (32 private rooms & fast track) will allow practitioners to get in on the "ground floor", display innovation, and have the opportunity to do what they do best...Trauma!
