

## **Saint Alphonsus**

ADVANCED HEALING BEGINS HERE

**Looking for a career that combines cutting-edge technology and clinical excellence and the outdoor paradise of Boise, Idaho? Consider Saint Alphonsus, the region's only trauma center!**

We are currently recruiting for a **nurse practitioner** in our trauma services to function in advanced nursing practice of trauma patients which includes their direct medical management through daily contact on the nursing units and giving direction to nursing personnel regarding patient management issues. Position also includes providing follow up care of trauma patients in the outpatient trauma clinic.

**Requirements:**

- Masters Degree in Nursing
- Nurse Practitioner certificate; license or license eligible for registered nurse and advanced practice nursing in state of Idaho
- Certification in area of specialty; ACNP or FNP preferred
- Current DEA and ID Board of Pharmacy Control Substance License
- Certified in BCLS, ACLS, PALS, TNCC
- Minimum 3 years experience in adult and/or pediatric critical care or emergency department
