Pediatric ED Nurse Manager Carolinas Medical Center

Carolinas Medical Center, regional referral center for western North Carolina with 795 beds, seeks an experienced Nurse Manager for our new 12 bed Pediatric Emergency Department. The Emergency Department had approximately 22,000 pediatric visits last year alone. Carolinas Medical Center is the flagship hospital of Carolinas HealthCare System. Carolinas HealthCare System, located throughout the Charlotte, NC area, is a premier, multi-faceted health care organization whose facilities make up one of the largest integrated health care systems in the United States.

The successful candidate will be responsible for the clinical and operational functions of this department to ensure that quality, cost effective health care is provided. Experience should include management and acute care pediatrics. ED experience preferred. This position will work closely with the Adult ED Nurse Manager in a blended operation. Candidate must have RN license; BSN preferred. Current provider certification preferred in ACLS, PALS, ENPC, TNCC.
