

Carolinan HealthCare System

Carolinan Medical Center seeks two ABS certified / eligible surgical critical care / trauma surgeons who have recently completed a Trauma / Critical Care fellowship.

Join five trauma/critical care surgeons in an ACS verified Level I Trauma Center in Charlotte, NC which is expanding its surgical critical care services in preparation for the Fall 2006 opening of a new 29 bed Trauma and Surgical ICU.

Residency programs in general surgery, emergency medicine, orthopedics, physical medicine/rehabilitation and others.

Offers a competitive salary and bonus with outstanding call schedule
