Trauma/Critical Care Surgeons

Penn State Milton S. Hershey Medical Center is a non-profit health organization that provides high-level patient services in central Pennsylvania. Our campus includes a state-of-the-art 500-bed medical center, a Children's Hospital, research facilities, and is an accredited Level I Regional Resource Trauma Center. Our continued expansion has created an excellent opportunity within the Section of Trauma/Critical Care Surgery for two Surgical Critical Care fellowship trained surgeons to join our team.

Appointment will be at the Assistant/Associate Professor level. Responsibilities will include coverage of the trauma/emergency surgery service, a 30-bed Surgical Intensive Care Unit, research, graduate medical education, and elective general surgery. Teaching abilities and good interpersonal skills are important.

Candidates must be certified by the American Board of Surgery with additional qualifications in Critical Care.

Interested applicants should send inquiries and curriculum vitae to:
