

Trauma Medical Director Position Available

Overland Park Regional Medical Center invites you to join our team to provide quality, compassionate care as Medical Director of our ACS verified Level II Trauma Center.

Our Medical Director will lead a trauma service and its staff in nearly 1,000 cases per year, act as medical director for surgical patients in the hospital's Critical Care Unit, participate in trauma call and practice general surgery. We're looking for a BE/BC General Surgeon preferably with a Fellowship in Trauma/ Surgical Critical Care.

Overland Park Regional Medical Center is a 250-bed, acute care hospital. The hospital's campus features four medical office buildings, two pharmacies, and a medical staff of more than 500 physicians. Overland Park Regional is the only verified Level II Trauma Center in Johnson County, Kansas. The hospital is located in Overland Park, Kansas - one of *Money* magazine's top 10 Best Places to Live 2008.

HCA owns and/or manages 170 hospitals and 113 outpatient surgery and endoscopy centers in 19 U.S. states and England. Visit us at www.PracticeWithUs-Midwest.com. If you are currently affiliated with HCA, we appreciate your continued support. Please pass this on to a colleague who may be interested. Thank you!

The Trauma Medical Director will:

- Participate in trauma call approximately five days per month;
- Receive a significant Director's salary, productivity incentives, a sign-on bonus, paid relocation, fully-paid occurrence-based medical malpractice insurance, generous paid time off/vacation program, dues, fees, and CME allowances; and
- Live in an area with a low cost of living, nationally-ranked public schools and work at a strategic location at the convergence of three major highways.

Overland Park Regional's mission is "Together We Touch Life..." and we are dedicated to providing quality health care to this community.
