

Level II Trauma Surgery in Myrtle Beach, SC!

HCA is seeking 2 BC/BE employed trauma surgeons to staff their newly designated level II trauma center at Grand Strand Regional Medical Center in Myrtle Beach, one of only 2 in the state. This is a great opportunity to be involved in the development of this groundbreaking program. They are also seeking a BC/BE ortho trauma surgeon to round out the service line.

Established practice currently employs 2 neurosurgeons and 2 GV surgeons.

1:5 call rotation

5 year contracts - first 2 guaranteed base salary followed by WRVU model in years 3-5. HUGE income potential! Excellent compensation package including competitive salary, benefits, occurrence based malpractice, CME, vacation, 401K, retirement as well as several other negotiable incentives.

QUALIFICATIONS:

Fellowship training in Trauma Surgery or Critical Care Surgery.

Must be board certified or board eligible (obtaining certification within 5 years of completion of training).

PRACTICE DETAILS:

Practice is HCA owned and operated so no day to day involvement in the running of the practice. All credentialing, billing, collections and overhead centrally managed by HCA.

Brand new state of the art clinic space located on hospital campus!

GRAND STRAND REGIONAL MEDICAL CENTER:

Grand Strand Medical Center is a 219 bed (with a 50-bed expansion underway!) tertiary referral center located in Myrtle Beach, SC. The only hospital in the region to offer such specialized services as level II trauma, open-heart surgery, neurosurgery, PET scanning and 2 emergency departments staffed with residency trained emergency medicine physicians. Grand Strand Regional has earned a reputation as the hospital of choice for residents and visitors alike. With a medical staff of 240+ highly skilled practitioners, Grand Strand offers the community a full spectrum of board certified medical specialists and services. The hospital has been recognized as a "Top 100" hospital in the United States for both cardiac surgery and orthopedic surgery and was recently ranked number 1 among designated heart centers in South Carolina.

MYRTLE BEACH, SC:

Located in Myrtle Beach, the heart of the "Grand Strand," a 60-mile stretch of coastline considered one of the fastest growing metropolitan areas in the US, the area has been repeatedly recognized as one of the top retirement, tourist and convention destinations in the country. The community is comprised of a myriad of unique neighborhoods that include easy access to golf, the ocean, shopping and entertainment, national caliber live music venues, a local symphony, minor league baseball, water parks, outlet shopping, international airport, fishing, boating and 2,500+ restaurants.
